Overhearing Agents

Challenge Domains

- Let's learn more about overhearing agents by making some!
- 3 challenge domains: D&D, clinical agenda-setting, and cooking

Domain	Description	Challenges
Dungeons & Dragons	Assist a Dungeon Master with game tasks like game entity lookup or selecting music	Intervention-point prediction, many-speaker environments
Clinical Agenda-Setting	Identify and manage a clinical agenda based on patient-provider conversations	On-device & HIPAA-compliant processing restrictions
Cooking	Offer timely suggestions to a user who's cooking a recipe	Streaming video input
